SINFONÍARX SELECTED AS ONE OF THE 2017 AZCENTRAL.COM TOP COMPANIES TO WORK FOR IN ARIZONA

PHOENIX, AZ (June 29, 2017) – azcentral.com and Republic Media (*The Arizona Republic*, azcentral.com, La Voz) announced today that SinfoniaRx, located in Tucson, has earned a spot on the list of **2017 azcentral.com® Top Companies to Work for in Arizona**.

All participating companies completed a two-part assessment process conducted by the independent workplace research firm, Best Companies Group (BCG). Part one of the process was the Employer Questionnaire, where BCG asked about benefits, HR policies and the fun things the employers do for their employees. Part two was the Employee Engagement and Satisfaction Survey which measured the employee experience in 8 core focus areas: **Leadership and Planning, Corporate Culture and Communications, Role Satisfaction, Work Environment, Relationship with Supervisor, Training, Development and Resources, Pay and Benefits**, and **Overall Engagement**. Using the combined data from both parts of the survey process, BCG determined the top 100 organizations that made the grade.

“This Top Company list gets more competitive each year”, says Denise Gredler, Founder and CEO of BestCompaniesAZ and consulting partner for the program. “The list of winners had very impressive employee survey results averaging an overall favorable rate of 90 percent and an overall employee engagement score of 92 percent, which is more than double the national average. These winners should be very proud of their engaged workforces. This presents a powerful opportunity for award-winners to promote their company culture to retain and attract the best talent.”

“We are honored to receive this recognition for the second year in a row,” said SinfoniaRx CEO and founder Kevin Boesen, PharmD. “Our employees are truly amazing. Creating a great work environment has always been one of my top priorities.”

SinfoniaRx stands out among the companies recognized this year with above average favorable scores. Employees indicated their strong confidence for the company’s leadership, strategy and focus on well-being. One employee noted: “SinfoniaRx has a welcoming and open atmosphere where you feel comfortable to reach out to your supervisors. The leaders of the organization genuinely want their employees to succeed and will provide you with the guidance you need to pursue the path you want within the company. Plus, SinfoniaRx has the best coffee.”

The 100 “Top Companies” were honored at an awards breakfast reception on June 29, 2017, at the Fairmount Scottsdale Princess, will be published in a special supplement in the July 2, 2017 issue of The Arizona Republic, as well as online at topcompanies.azcentral.com and www.BestCompaniesAZ.com.

About Best Companies Group

Best Companies Group is dedicated to establishing *Best Places to Work* programs to distinguish leaders in workplace excellence. As a research firm, BCG collects data about participating companies as well as employee feedback, analyzes that data, and produces a “Best” distinction that makes each recognized organization, the selected region (or industry) and the organizing partners proud. Best Companies Group identifies and recognizes places of employment that lead the way in defining the employee experience of the 21st century.
